ATLAS[®] LEATHER OIL-101

Atlas Leather Oil-101 is a versatile oiling off composition for vegetable or chrome tanned leathers where shade darkening and a two-tone pull-up effect is desired.

TYPICAL ANALYSIS:

Appearance	Dark Liquid
Moisture Content, %	Nil
Lbs./Gallon	7.80+/-0.05

PRODUCT CARE:

Solubility:	Insoluble in water, miscible in solvents & oils.
Handling:	Handle as any non-hazardous oil. Mix well before use.
Storage:	Optimum performance and shelf life are maintained when stored near room temperature. Keep from freezing or overheating.
Shelf Life:	12 months when properly stored.

APPLICATION:

Atlas Leather Oil-101 is insoluble in water. It is applied on the grain side of the leather by roll coater, spraying or swabbing. Having a low viscosity Atlas Leather Oil-101 penetrates well and without dilution it will yield a luxurious dark shade. The degree of darkening can be controlled by two methods:

- 1) applying less than the recommended 20-30 grams/sq. ft.
- 2) by dilution with Atlas Leather Oil-90. A uniform dark shade, rich surface feel and a pull-up effect will be imparted with the
